Deutsche Schule Rochester Registration Policies

- Due to the need to hire teachers for the entire school year and to ensure proper academic progress within each class, we ask for a 1-year commitment to our school.
- The registration fee per student is non-refundable. It will only be refunded in the event that enrollment exceeds teacher availability, or if there is insufficient enrollment in a given age group
- Our classes are subject to a minimum enrollment. In the event that there is insufficient enrollment in a given age group, we reserve ourselves the right to cancel or combine classes or to make special tuition arrangements with the affected families.
- To ensure the quality of our language programs, our classes are subject to a maximum enrollment. Places will be filled on a first-come-first-serve basis. Students who cannot get a spot in a class suitable for them can be put on a waiting list.
- Should a class fall below minimum enrollment during the school year, due to the withdrawal of one or more students, we reserve the right to combine classes or to make special tuition arrangements with the affected families.
- Refund policy: If a student withdraws from the program prior to the first session, a refund of 50% of tuition already paid (excl. registration fee) will be granted. There are no tuition refunds after the first session.
- Registration during the school year: Tuition for students registering within the first four sessions has to be paid in full. Tuition for students registering after the fourth session of a school year will be prorated. The registration fee and cost for books cannot be prorated.
- Absences: No refunds will be given for absences/ missed sessions. In case of prolonged absence (severe illness, moving out of town), special arrangements may be made with the principal/ treasurer.

Re: Covid-19 Assumption of the Risk and Waiver of Liability

The World Health Organization has declared the novel Coronavirus (COVID-19) a worldwide pandemic. Due to its capacity to transmit from person-to-person through respiratory droplets, the government has set recommendations and guidelines. Deutsche Schule Rochester, Inc. (DSR) has put in place preventative measures to reduce the spread of COVID-19 based on guidelines from the NY State Department of Health. However, DSR cannot guarantee that you or your child(ren) will not become infected with COVID-19. Further, attending DSR classes in person could increase your child(ren)'s risk of contracting COVID-19.

All DSR members entering the building must agree to and abide by the following:

- Only DSR Members whose names and contact info are on the registration form, will be allowed in the building, also visitors who have an appointment.
- Social distancing will be established, following CDC and Monroe County Health guidelines.
- Students with Covid or Flu-like symptoms or any communicable diseases will not attend in-person classes. Their teacher will be notified. Teachers and students are free to decide for or against mask wearing, as long as the government does not require masks.

By signing this agreement, I acknowledge the contagious nature of COVID-19, voluntarily agree to the participation terms described above, and assume the risk that I and/or my child(ren) may be exposed to or infected by COVID-19 by attending DSR classes. Such exposure or infection may result in injury, illness, permanent disability, and death. I understand that the risk of becoming exposed to or infected by COVID-19 at DSR classes may result from the actions, omissions, or negligence of myself and others, including, but not limited to, employees, volunteers, and program participants and their families. On my behalf, and on behalf of my children, I hereby release, covenant not to sue, discharge, and hold harmless Deutsche Schule Rochester or the Lutheran Church of Our Saviour, their employees, agents, and representatives, of and from the Claims, including all liabilities, claims, actions, damages, costs or expenses of any kind arising out of or relating thereto. I understand and agree that this release includes any claims based on the actions, omissions, or negligence of the Lutheran Church of Our Saviour or Deutsche Schule Rochester, their employees, agents, and representatives, whether a COVID-19 infection occurs before, during, or after participation in any DSR program.
